MORE ABOUT ME

I am a Front-End Developer with a passion for making impactful web applications that are accessible and responsive, using my skills in React, JavaScript, HTML & SASS.

My extensive past experience as a machine setup technician and sales manager left me with a strong ability to problem solve on the spot and collaborate with teams, Both of which I find essential to web development regularly.

SKILLS

- React (Hooks & Classes)
- JavaScript ES6+
- HTML5, CSS3, SASS
- Responsive Design
